Information

Indicate the product or service you plan to demonstrate.

Are you planning an on-shore or in-water demonstration?

If in-water, would you prefer to deploy from wharf or a boat?

Will you require lift capabilities to deploy/recover your equipment?

If so, please indicate lift capacity required.

Please indicate your power requirements.

Please indicate your space requirements (square meters of wharf or deck space)

Please indicate if you will need storage for your product.

If so, please specify your needs with dates and timing.

Please let us know of any additional requirements.
